

School Council 16th April 2015

Mrs York asked the children what areas they thought we need to look at as a School Council.

<ul style="list-style-type: none">• Can school lunches and packed lunches sit next to each other in the dining room?• Can children eat their lunch outside?• Y6 would like to run lunchtime clubs as they have done in previous years	<ul style="list-style-type: none">• Can the school have a dedicated pitch for cricket?• Can the football rota for each pitch be restarted?• How the children can raise money for large playground equipment.

Before the next school council (23rd April 2015) can you please discuss the following with your class:

- How to make lunchtimes better
- Any other ideas for the School Council to discuss.

Thank you
